845-527-3080 | Washingtonville, NY

## Work Experience

---

### FluroSat | Remote Marketing Research Intern

June 2020 – August 2020 | Sydney, Australia

- Collaborated on research to refine FluroSat's current marketing strategies by performing analysis on competitor initiatives and compiling 100s of customer data to identify new clientele.
- Utilized Pandas data science library to organize competitor social media data and trends to enhance FluroSat's online presence.
- Conducted research on methods to improve FluroSat's current SEO strategies through keyword analysis and website optimization.

### iD Tech | Virtual Tech Camps Instructor

June 2020 – July 2020 | Campbell, California

- Instructed a total of 15+ children, ages ranging from 10-13, basic Java programming fundamentals and game design principles through modifying Minecraft in an online tech camp setting.

## Projects

---

### kevinha.me

December 2020 - February 2021

- Programmed and designed from scratch a responsive personal website using HTML, CSS, Bootstrap framework and deployed using Netlify.

### COVID-19 Checklist App

August 2020 | DuckHacks 2020

- Collaborated on developing the UI and back-end of an Android App using Java, XML, and Google Cloud Firestore to provide a checklist and real-time chat room to discuss COVID-19 symptoms as well as locations of nearby testing centers.

### Dance Dance Revolution Bot

June 2019 – August 2019

- Developed an asynchronous Python-based web scraping bot for the gaming chat platform, Discord, which generates random songs for Dance Dance Revolution players.

## Activities

---

### Castle Point Anime Convention Club | Webmaster & Head of Panels

2019 - Current

- Utilized AWS Amplify, Hugo, and Git to deploy and update content on a static website, with an average of 200+ page views a week, for Castle Point Anime Convention.
- Developed an AWS Route 53 subdomain for artists and vendors to advertise their products during the 2020 Virtual Castle Point Anime Convention.
- Directed the Panels Committee which reviews and approves panelist applications for the convention.

## Education
